

## We're Hiring: Design Consultant

---

📍 Location: Austin, TX

💼 Full-Time | 💰 \$50K-\$90K (Base + Commission)

More Space Place is looking for a talented Design Consultant to help our clients transform their homes with custom storage solutions—from Murphy beds to closets and home offices. This is a unique opportunity for someone who thrives at the intersection of creativity, space planning, and sales.

### What You'll Do

- Design custom closets, Murphy beds, home offices, and more.
- Meet with clients in the showroom and in their homes.
- Create tailored solutions using proprietary design software.
- Own the full process from consultation to close.

### We're Looking For

- Creative problem-solvers who love space planning and building relationships.
- Strong closers with consultative sales experience.
- Detail-oriented pros comfortable using design and CRM software.
- Experience in interior design, home improvement, or furniture sales is a plus.

### Why More Space Place?

- Locally owned, woman-led business with 19+ years of success in Central Texas.
  - 5-star reputation with strong referral network and repeat clients.
  - Supportive work environment: showroom, in-home, and remote design time.
  - Earn \$50K-\$90K+ with base pay + commission, benefits, and flexibility.
- 👉 Know someone who'd be a great fit? We'd love your referral!
